#### Sheriff's Office Computer-Crime Arrest

Macomb County Sheriff Anthony Wickersham reports that his Computer Crime Investigators have arrested a 60 year-old Canton man on charges of Child Sexual Abusive Activity and Using a Computer to Commit a Crime.

Undercover detectives began conversing with the man after he posted an ad on a social media website. The ad was highly indicative of child sexual exploitation. After a lengthy investigation, Sheriff Detectives arranged to meet the man at a predetermined time and location. The man thought that he was going to the location to have sex with a child and, when he arrived at the "meet" location, he was dressed in a Halloween costume.

He was taken into custody and brought to the Macomb County Jail.

On 10-29-14, Daniel Gene Fritz was arraigned in the 39th District Court of Roseville. He was given a \$50,000 cash or surety. He is charged with two counts of **Child Sexually Abusive Activity**, a 20 year felony, and two counts of **Computers-Internet Communicating With Another to Commit A Crime**.

His next court date is 11-12-14.
