Body Recovered From the Clinton River Spillway

On July 5th, at approximately 7pm, Macomb Sheriff Deputies assigned to the Marine Division and operating a patrol boat were dispatched to the Clinton River Spillway for a suspicious object floating in the water there.

Upon arriving, deputies located the body of a 54 year-old man. The body was located in the water approximately 250 yards west of the Jefferson Avenue bridge.

The body was removed and turned over to the Macomb County Medical Examiner's Office.

The decedent has been identified as Gregory Allen Wilson.

Upon further investigation, detectives learned that Wilson was homeless, however he was believed to be staying in the vicinity of where his body was found.

There were no outward signs of foul-play, however the cause-of-death has not been conclusively determined pending the results of an autopsy.

This report is a summary of activity and incidents reported to the Macomb County Sheriff's Office over the previous week. It is not inclusive of all incidents that have been reported. The Sheriff's Office reserves the right to withhold certain information if its release is not in the community's best interest, or if we feel it will compromise an investigation.
