Macomb County Sheriff Anthony Wickersham reports that at approximately 1:54pm on Tuesday (09-29-15), the Macomb County Dispatch Center received a notification that there was a shooting at an address on Hollywood Court in the City of Mt. Clemens. The phone call was being relayed to the Sheriff's Dispatch Center from the Dispatch Center in the City of Warren.

The caller stated that he had "shot his wife" with a shotgun and that he also had a rifle and he was going to shoot anyone who came to the home. Warren dispatchers kept the person on the line and relayed all the information to the Sheriff's Office.

Macomb Sheriff Deputies immediately responded and cordoned off an area near the residence. Detectives were able to determine that the homeowner (who lived at the home where the shooting was alleged to have occurred) was working at a business near Hall Road and Gratiot, and that he was not at the home, and furthermore, there was no one home at the residence.

At approximately 2:43pm, Sheriff's personnel entered the Hollywood Court address and determined that the call was unfounded.

Investigators for the Sheriff's Office are coordinating with the City of Warren to investigate the matter.
