### **Ray Township Plane Crash**

On Thursday evening (10-15-15) at 6:10pm, Macomb Sheriff deputies were dispatched to an address of 59819 Indian Trail for a report of a plane crash. Upon the arrival of deputies, Ray Township Fire and MedStar Ambulance personnel were on the scene and treating the pilot and lone occupant of the plane.

The man, a 46 year old from Clinton Township told deputies that the crash occurred as he was attempting to land the plane (at the Ray Community Airport).

The plane is a Comp Air 8, Turbo Prop.

The Macomb County Emergency Dispatch Center contacted the Federal Aviation Administration who stated that they would send a local "Aviation Safety Inspector" to the site.

An independent witness related that he watched as the plane made a "hard left turn" into the ground while on approach to runway #27.

The pilot was able to walk away from the crash. He appeared to have small lacerations on his face.

At approximately 8pm, a FAA Safety Inspector arrived at the airport and the scene was turned over to him

The Ray Community Airport is located at 59990 Indian Trail.
